

The Lexington Intelligencer

A. W. ALLEN and O. R. SWILLERS
Editors and Publishers.

Issued weekly on Saturdays. Subscription \$1.00 per year, payable strictly in advance.

Entered as second-class mail matter at the Post Office in Lexington, Missouri.

All communications to go into print in the INTELLIGENCER must be signed.

If you will examine the date after your name on the label of the Intelligencer, you will know when your time expires. If the date is Jan. 1911, you should make your remittance at once. The Intelligencer is \$1.00 per year. Your prompt attention to this matter would be greatly appreciated.

Only thirty aviators were killed in 1910. Not a bad record for a practically new sport.

The Missouri legislature should hurry and set a precedent by passing a law which would prohibit aviators from doing the "spiral dip." This dip is quite as deadly as the old mass play over tackle and should be ruled out as too dangerous.

These same people who are raising such a howl about expending more money for new battleships, would simply blow up, if the United States should, in any event go to war, and be found without a navy to protect her long coast from attack.

Attorney General Major has prepared a bill which is designed to compel express companies to deliver packages free within the corporate limits of cities of more than five thousand population. This bill should receive the support of Lafayette's representative. Lexington comes within this class and as every one knows the Pacific express company delivers only in a zone they have established, and which does not cover the whole city. Those who live far out have to tote their own expressage or pay extra.

A school of instruction should be instituted in Jefferson City at once by Gov. Hadley for the benefit of some of the members of the General Assembly. The first lecture should be on a subject that our governor is so familiar with, viz: "Gas." The member from Howell county, the first night out, was almost asphyxiated. Whether or not he blew out the gas no one knows, but, to prevent the untimely demise of some of the other members

from rural counties, the governor should give his lecture at the earliest possible moment.

SCHEDULE ANNOUNCED

Wentworth Will Meet Some Good Basket Ball Teams This Season.

Capt. J. J. Skinner, manager of athletics at Wentworth has announced the basket ball schedule for this season. This schedule is by far the heaviest a Wentworth team has ever attempted but the cadets this year are far stronger than ever before and they expect to take a majority of the games.

The first two of the contests have already been played, both resulting in victories for the locals. The next comes off next Monday evening with Central College of Fayette. The Methodists won the state championship at football this year and their basket tossers are after a similar plum. The game is expected to be a swift one.

"We should have better support in the matter of patronage from Lexington after this," said Capt. Skinner. "During the holidays we have put enough seats in the drill hall to accommodate several hundred persons and we are putting ourselves at a big expense on the schedule this season. Eight of the games are with college teams.

"Some people have not attended so far because they thought they could not understand the game. Now basket ball is different from football or base ball. There are no intricate rules about it to understand. One team tries to throw the ball into the south basket while the other endeavors to catch the sphere into the north receptacle. That is all there is to the game."

The schedule follows:
Dec. 10, Independence High School at Lexington.
Dec. 15, Lawrence Tourists at Lexington.
Jan. 9, Central College (Fayette) at Lexington.
Jan. 11, Independence High at Independence.
Jan. 12, Warrensburg Normal at Warrensburg.
Jan. 21, Blees Military Academy at Lexington.
Jan. 27, Warrensburg Normal at Lexington.
Feb. 2, Washburn College at Lexington.
Feb. 10, Central College at Fayette.
Feb. 11, Blees Military Academy at Macon.
Feb. 16, To be filled.
Feb. 17, To be filled.
Feb. 18, Haskell Indians at Lawrence.
Feb. 24, Haskell Indians at Lexington.

Could Not Smell Nor Hear.

Mrs. A. L. Wetzel, 1223 Ohio St., Terre Haute, Ind., writes:

"When I began to take your medicine I could not smell, nor hear a church bell ring. Now I can both smell and hear."

"When I began your treatment my head was terrible. I had buzzing and chirping noises in my head."

"I followed your advice faithfully and took Per-na as you told me. Now I might say I am well."

"I want to go and visit my mother and see the doctor who said I was not long for this world. I will tell him it was Per-na that cured me."

People who object to liquid medicines can now secure Per-na tablets.

New Time Card.

The new time card which went into effect Sunday on the Missouri Pacific made only a change in the River Route train. The branch trains arrive and leave as heretofore. The River Route train will carry through cars to and from St. Louis, and is scheduled to leave Lexington for Jefferson City at 7:50 a. m. and to arrive at Lexington from Jefferson City at 5:50 p. m. In addition to the regular passenger trains on the branch there is an accommodation and freight each way every day. The west bound will leave Lexington at 12:15 and the east bound at 9:30.

Missouri Pacific Railway Company.

St. Louis, Mo.
Dec. 30, 1910.

Hon. Rube Oglesby, Railroad & Warehouse Commissioner, State of Missouri, Jefferson City, Missouri.

Dear Sir:

Your communication of 28th. concerning service furnished by this Company upon the Lexington Branch, is at hand and contents have been carefully noted.

The suggestion you make concerning the switching of merchandise from Myrick to Lexington, the equipment of local freight cabooses on the Lexington Branch; the use of an additional coach on Lexington Branch trains on holidays and Saturday's and at the times of closing and opening of the several schools at Lexington; also the telephone at Myrick station, are entirely satisfactory, and instructions will be issued at once to have them put into effect.

Concerning the suggestion that our advertising time cards show that Lexington is only one mile from Myrick, and can be reached by back line from trains Nos. 5 and 6, would say, with the change in time-table which will take effect Sunday next, January 1st, Nos. 5 and 6 will come off, and in place of this service we will run trains Nos. 31 and 32 between Jefferson City and Lexington, connecting at Jefferson City with Nos. 1 and 2 and at Lexington with Nos. 621 and 622, a through car being handled by these trains in both directions. This will give Lexington direct service via the River District to Kansas City and to St. Louis, and should give the people of Lexington satisfactory service. Under this arrangement No. 31, upon arriving at Lexington, will be run through to Kansas City without delay whenever No. 621 is one hour or more late.

With reference to the telephone arrangements at Myrick would say, the existing arrangement is one made locally about six weeks ago, and had not previously been brought to my attention. The Company will maintain a telephone at Myrick as requested. A telephone maintained by the Railway Company is already in use at Lexington station.

Thanking you for giving us an opportunity to rectify these matters, I am,

Yours truly,
(Signed) A. W. Sullivan,
General Manager.

Stockholders Meeting.

ADVERTISE IN THE INTELLIGENCER

Remnant Sale

On Friday next January the 6th, 1911, we will hold a Remnant sale of unusual attractiveness. We have not had a remnant sale for a long time and in consequence have accumulated a very large lot of remnants of the character wanted and used in every family where there are children.

There will be remnants of Calico, Percale, Gingham, Canton flannels, Outing flannels, Flannelettes, Muslins, White goods, Laces, Embroideries, Ribbons etc

Each remnant will have the yardage and the price for the piece marked on it.

The sale will open at 9 o'clock Friday morning January 6th, 1911.

Come, you will be welcome.

W. G. McCausland
